

Horseshoe Bend School District #73 Transportation Waiver of Liability Form

Horseshoe Bend School District expects students to ride district-provided transportation to and from school-sponsored activities. The district will, however, grant waivers to this expectation when it becomes necessary to use private vehicles driven to transport students to and from school-sponsored activities. Only under extraordinary circumstances should a student drive him/herself to a school-sponsored activity or transport other students, and parents should exercise their wisdom, good judgment and discretion when planning travel arrangements. (See Policy 575).
