

Horseshoe Bend School District #73

Craig/Penrod Foundation Variable Scholarship Application

Students who are eligible to apply for these scholarships must be in their senior year at Horseshoe Bend High School and planning to attend a post-secondary learning institution. All variable category scholarships will be available only to those students who are eligible for graduation from Horseshoe Bend High School at the end of the semester in which application is made, and have been enrolled in the Horseshoe Bend School District for a minimum of 1.5 continuous years, including the semester, immediately prior to graduation. Applications will be available for completion April 1st and must be completed by May 1st of the qualifying year.

In making their choices as to the persons to be benefited, the Scholarship Committee will be guided by the following criteria:

- a. The character of the individual;
- b. The intelligence of the individual, which shall be above average;
- c. The scholastic record of the individual.

These scholarships are non-renewable and will be dispensed to the registrar's office upon receipt of proof of enrollment in a post-secondary institution.

Applicants must submit the following items in their application package:

1. A one-page personal statement about yourself, your goals, and why you should receive this scholarship.
2. One letter of recommendation written by an individual who is not employed by the Horseshoe Bend School District.
3. An official transcript of your high school records through first semester of current year.
4. A copy of ACT/SAT or other relevant entrance exam scores required by post-secondary institutions.
5. A copy of a completed application to a post-secondary institution.
6. Completed Activities form

This application must be completed and returned to:
